

## WALK • PLAY • GIVE

Dear Friend of the Fund,

The MGA Caddie Scholarship Pro-Am is a special event to our program's operation. All proceeds from this event directly fund our need-based college scholarships. Since 1956, support from our friends in the Westchester, Bronx, Dutchess, Orange, Putnam, Rockland, Sullivan, Ulster, and Fairfield counties have helped us award nearly 3,000 young men and women from our local clubs more than \$27 million in scholarship aid. We are proud to celebrate 67 years of commitment to local students and their futures.

On behalf of these scholarship recipients, thank you for your support of their academic achievements. Your generosity and participation in our Pro-Am is the reason for the program's success. Without you, we could not help provide the opportunity of an education for these deserving young men and women.

We look forward to seeing you at Quaker Ridge Golf Club on July 29 for a great day on the golf course celebrating the 43rd year of this special event!

Thank you for walking.  
Thank you for playing.  
Thank you for giving.

Fairways,
